Name_____ Date_____

After we have finished watching the video. Read the following questions. Consider these questions when you are writing the reflective response.

1. What does it mean when the video says, "Kill the Indian in the child?"

2. How can we connect this video to the novel?

3. Can you connect the video and experiences to any encounter that you have had in your life where you experienced pain, sadness, or you were forced to do something that you did not like? How did it make you feel?

4. How can we create hope from a negative experience?

Use the space below to write your response:
